

Canada 150

Environmental Design Competition, 2017

Fanshawe College, London, Ontario

Celebrate Canada's Future & History

Canada is a country of rich culture and strong nationalism. Join Fanshawe College by entering the Canada 150 Environmental Design Competition. College and university students are invited to design a local site representing Canadian values. These designs will inspire healthy and vibrant communities, a deeper understanding about our country, and encourage community initiatives.

Round 1 - Regional Competition due March 31, 2017

One winner from each region: Eastern Canada, Quebec, Ontario, Prairies, British Columbia, and Canada North of 60 will win \$3000

Round 2 - National Presentations: May 6th 2017

Twelve teams will be selected to present at Fanshawe College, London.

Total Prize money of \$12,000
