

**Director of Planning and Development Control  
Town of Happy Valley-Goose Bay**

Happy Valley-Goose Bay is flourishing with economic activity and growth. A hub for Labrador, the Town is a choice location for development and the center of activity for the Muskrat Falls Hydroelectric Project. The backbone of the community is the Town of Happy Valley-Goose Bay. With immense opportunities throughout the area, the quality services and infrastructure provided by the Town is vital. The Town of Happy Valley-Goose Bay is pleased to invite applications for a **Director of Planning and Development Control**.

The Director of Planning and Development Control will provide proactive leadership, engagement and strategic direction to the Planning and Development functions of the Town. Working closely with the Town Manager, Council, other senior staff and the public, s/he will act as a partner and resource for the organization by leading and guiding all aspects of municipal planning and development, and for enforcement and control of by-laws and compliance with the Town's municipal plan and other development regulations. The Director of Planning and Development Control will receive and review development applications and offer assistance and direction to ensure that sound planning and development principles are developed and maintained, and that the Town is in compliance with prescribed provincial and national planning, building, and development standards.

The Director of Planning and Development Control will bring a demonstrated successful track record of planning and development within a complex organization, preferably a municipality. A natural problem solver, with an attention to detail, s/he shall have relevant post-secondary education with a minimum of 5 years' experience.

The Director of Planning and Development Control must show initiative, have exceptional communications skills, demonstrate knowledge relating to the municipal field and must be prepared to work in a fast-paced municipal environment. Experience with Newfoundland and Labrador Legislation as it relates to municipal planning and development would be an asset. Membership or eligibility for membership with the Canadian Institute of Planners is required. Candidates must possess (and maintain) a valid driver's license and must provide a recent certificate of conduct.
