Senior Planner

Competition number : 18-018
Salary Range : \$81,618.00 - \$90,087.00
Closing Date (dd/mm/yyyy) : 14/03/2018
Classification: : Management Group F

Primary Purpose:

As a Senior Planner, you will have a lead role in shaping the future of Saint John, a City that is committed to a culture of growth and planning throughout the municipal organization. You will lead a dynamic team of urban planning professionals implementing Saint John's award-winning municipal plan – Plan SJ and driving an agenda of smart growth.

Key Responsibilities:

Provide leadership to the Growth and Community Planning Management Team and management guidance to a professional team of staff to motivate and deliver service area results. Lead major projects, support colleagues in projects and mentor employees in project management.

Support the achievement of the City of Saint John's innovative municipal plan implementation and provide strategic policy advice on a variety of urban planning related matters.

Champion innovative planning and development in the community and bring a commitment to smart growth principles and a solid track record of successful engagement with community partners.

Play a leadership role in policy development within the Growth and Community Development Service Area in the development and implementation of neighbourhood, community and regional level plans. Provides support for integrated strategic plans in the areas of sustainability, transportation, infrastructure, heritage, culture and urban design, recreation and economic development. Support the broader service area by striking a balance in the delivery of planning expertise all while supporting other facets of the Service Area, including population growth, financial and economic analysis, strong customer-service, continuous improvement, and growth and development support towards the City's agencies, boards and commissions.

Will play a key leadership role in the development, implementation and ongoing monitoring of the City of Saint John's growth and community planning service including the coordination of programs related to growth and economic development in order to strengthen the community's long-term sustainability and prosperity.

You will be an effective communicator and collaborator to build strong working relationships with key community partners including the development community, citizens, the City's Growth Committee, Planning Advisory Committee and Common Council.

Education, Training & Experience:

Membership in the Canadian Institute of Planners will be considered an asset for this role.

A university degree in planning or a related discipline, preferably at a graduate level.

A minimum of 5 to 7 years of relevant experience with demonstrated leadership skills.

Applications will be accepted through our online system only. Qualified applicants should submit their resume to:
