POST CONFERENCE WALKING TOUR

Sticking around St. John's after the conference? Join us for a walking tour of the public art in Downtown St. John's.

Rather a self-guided tour? We recommend downloading a FREE St. John's place-based audio app: batteryradio.weebly.com/locative.html

- Inside Outside Battery: Sounds & stories whisper in your ear from Battery Road to the North Head Trail—triggered automatically as you walk.
- Neighbours: You can explore the city's cultural communities as you stroll the downtown, with stories as you pass different locations.
