We are looking forward to seeing everyone at the Town of Oromocto Climate Action Committee's inaugural Climate Action Conference, "Reducing Carbon Emissions", at the Hazen Centre, in Oromocto NB! We are very excited to be holding this conference which now features three keynotes:

- **Getting to Net-Zero Emissions: why it's important and how we can do it** - Carl Duivenvoorden Speaker, Writer, and Sustainability Consultant www.changeyourcorner.com
- **Empowering Youth to Take Action on Climate Change Through Education** - Geoff McDonald Executive Director of the Gaia Project www.thegaiproject.ca/en
- **Meeting the Challenge of Climate Change Adaptation** - Dr. Cheryl Bradbee, Instructional Designer with UNB Faculty of Engineering

See the full agenda and register [here](#) (\$200). This timely and informative event will provide information sharing and networking opportunities for anyone in the public or private sector interested in reducing carbon emissions, sustainability, and challenges of climate change adaptation, and will be a source of 9 structured continuous professional learning credits for professional land-use planners.

Registration will be closing at noon on Friday September 15th. Anyone wishing to attend who has not registered by then must contact Dallas at dgillis@oromocto.ca.

Accommodations: a block of rooms have been reserved at the Days Inn in Oromocto at the conference rate of \$110.00/night. To book please call 506-801-5848 or toll free 1-866-721-8962.
